

## Victim Survival Training

### Comprehensive Victim Training Program - 80 hours

This program is designed for those individuals who are capable of dedicating an extended amount of time to training to achieve an optimum level of skills for personal protection. It combines both the basic and advanced program and includes a complete program for self-defense in the home and additional range training. This is designed as a one-on-one program which can include immediate family members. DUE TO STATE LAWS AND PERSONAL LIABILITY, FIREARMS TRAINING IS LIMITED TO 18 YEAR OLD AND ABOVE.

Note: We do provide as part of the training a firearms safety awareness program for family members 17 years old and younger.

**Classroom, field exercise and range time: 80 hours**

**Slots available in course: 1 - 10 per session**

**NOTE: Security analysis and personal protection in the home (Scenarios) are one-on-one for confidentiality reasons.**

**Program Cost: \$6,200.00**
